Information Sciences

EXPERIENCE

September 2021 to
Current

Student Assistant
Athletic Department Albany, NY

February 2018 to
October 2020

Publicity & Broadcasting Member
KL university Guntur, Andhra Pradesh, India

- Promoted Technical & Non-Technical events on social media and in press, resulting in 25% increase in ticket sales for college fests.
- Managed crisis communications and emergency response strategies and implementation.
- Proposed innovative storylines for digital content and developed unique campaigns to promote the college events.

June 2019 to July
2019

Shalom Enterprises Pvt.Ltd
Hyderabad, Telangana
Intern
I worked on a project called "Home Automation with Raspberry Pi." Working there allowed me to learn a variety of technologies and work ethics because my firm offers a variety of online learning platforms, which is a huge benefit to the company and its employees.
